## Description

Regarding the text length, we suggest a maximum of 40,000 characters (including spaces) for the text contributions (personal essays, interviews, reports, poems, etc.). Multiple texts may be submitted.

Image submissions should be limited to 3-5 submissions, captioned and with image rights-cleared by the author.

All interested parties will receive feedback and, if necessary, the opportunity to revise their abstract by the end of 2021 at the latest.

The editors reserve the right to make the final decision on the acceptance of contributions until the editorial review of the finished contributions. All accepted papers will receive feedback by January 31, 2022.

The book is expected to be published by Peter Lang Publishing in late 2022.
